

Congratulations on your selection to represent The Cayman Islands and Cayman Aquatics!

In 2025, we are debuting brand new, redesigned team apparel and with it, new equipment/apparel policies to ensure that we continue to look our best for years to come.

Cayman Aquatics apparel is yours to wear — sign it out, wear it loud and proud at the competition, and return the required items when you're back. If you're loving an item, you can also buy it outright and keep spreading Cayman pride with each time you wear it. **Important - NATIONAL team tracksuit and team shirts should not be worn to everyday club practice or club swim meets once you return from the event.** All items (minus the cotton event shirts) are meant to be worn for multiple years, so it is your responsibility to keep them looking nice for the next selection event.

Please see the policy of each piece of apparel/equipment below:

TRACK SUIT (1) - LOANED

To be returned laundered and folded post competition event.

Please notify upon return if the garment has any need for repairs or deep stain removal.

If the item is not returned, the athlete's family will be invoiced or alternatively, athletes are welcome to purchase for \$70 KYD up front.

TEAM SHIRTS (4)

These shirts are meant to be kept for two (2) seasons.

If a swimmer loses one of the shirts prior to the second season of use, they may not have the opportunity to replace the garment and if a replacement is available, will incur a cost of \$20 KYD per shirt.

TRAVEL POLO (1) - LOANED

The red polo shirts are only to be worn for travel when with the team, and to be returned laundered and folded post competition event. Please notify upon return if the garment has any need for repairs or deep stain removal.

EVENT SHIRTS (2)

These cotton, event-specific shirts are a souvenir for the athletes to commemorate their time at the competition. Athletes are welcome to trade these with other competitors or keep.

BACKPACK (1)

Every three (3) seasons, Cayman Representative Team members will be eligible for a new team backpack if needed. If a new backpack is required before the 3 seasons are completed, athletes will need to purchase.

TEAM CAPS

Team caps are given to athletes for each event. Each season, you will be given one (1) cap that can be traded at the completion of the event and one cap that must be kept for any future Representative Team events. If a cap rips or needs to be replaced, there may not be additional caps available, but will be given when possible. Please minimize the use of the cap until the season is completed.

TECH/EVENT SUIT (1)

For each season, Cayman Aquatics offers an allowance for one (1) technical suit for Open Water and (1) Swimming in the amount of up to \$230KYD for girls and up to \$180KYD for boys. Receipts for the tech suits must be sent to the Technical Director and approved. The cost of the suit up to the allowance amount will be deducted from the parent contribution. If an athlete is selected for multiple events in the same season, they may submit a request for additional allowance to the Technical Director.
